

2007-2008 年度的工作目標是：「**手牽南亞、心繫中華**」。我們的愛心小組不負所託，超額完成任務，除了恆常的服務之外，對突發的災難事件反應迅速，緬甸風災及四川地震的救援，發揮了最高的工作效率。

在 **2008-2009 年**裡，我們將積極推廣青年人的愛德服務，我們認為青年是聖雲先會「**侍奉中的希望**」。會祖真福奧撒南指示聖雲先會應該著重青年人的精神和熱誠，使會務得以振興。

2008 年六月及七月，中央分會先後資助多位年輕會員參加西班牙的聖雲先會青年大會及澳洲普世青年節，擴闊他們的國際視野。我們呼籲更多年輕信友參與聖雲先會的愛德服務，以會齡資深會員的經驗為借鏡，把本會的理想發揚給更多有待援助的人。

Year **2007-2008**, our job objective was: "**Hand in Hand in South Asia with a heart in China**", our charity group over-fulfilled the mission. Besides the regular services, rapid responds to the sharp-edged disaster events, liked the Burma cyclone disaster and the Sichuan earthquake's rescue. In these two events, SSVP-HK has displayed the highest working efficiency.

In the year **2008 – 2009**, we will promote youth development in charity work. We believe that youth is our hope, "**Services in Hope**". Our Founder Blessed Ozanam instructed that SSVP should emphasize on the spirit and passion of youth, this enables the inspiration of SSVP's work.

In June and July 2008, the Central Council subsidized several young members to participate in the St. Vincent Youth Conference in Spain and the World Youth Day in Australia successively, in order to widen their international field of vision. We appeal to young Catholics to participate in the charity work of SSVP, placing the senior members as their role model, spreading extensively the vision of SSVP to people in need.
